PRE-SURGICAL CARE FOR DOGS & CATS

PET'S NAME: _____

DATE OF SURGERY: _____

Please read and follow the steps outlined to prepare your pet for surgery.

This information is provided with your pet's safety in mind.

- No food after 8:00 PM the day before surgery.
- No water or other liquids after 6:00 AM the day of surgery.
- Drop off your pet between 7:45 and 8:15 AM on the day of surgery.
- Feel free to call after 1:00 PM to inquire about your pet.
- Vaccinations are current until _____.
- We have no record of your pet's vaccinations (Please bring proof the morning of surgery)

Note: If you adopted your pet from the Oakville Humane Society, please bring your adoption papers when you drop your pet off in order to receive the correct discounts.

PRE-SURGICAL CARE FOR RABBITS AND FERRETS

- Rabbits and ferrets may be fed and offered water up until the time they are dropped off for surgery
- Please bring food to offer to your rabbit /ferret after surgery.

POST-SURGICAL CARE

Both staff and doctors will check your pet routinely during the hospital stay, and again just prior to discharge. We will speak with you before taking your pet home, and give you post-surgical information at that time. If you wish to discuss this only with the doctor, please make advance arrangements.
